

REMARKS

The Application stands with claims 1-21, 25-28, 31-37, and 50-54 where claims 1, 8, 13, and 26 are independent. Applicants amended claims 34 and 36 as recited above, and for the reasons explained below. Entry and allowance is respectfully requested.

Applicants thank the Examiner for indication that claims 1-21, 25-28, 31-33, 35, 37, and 50-54 are allowable.

Claims 34 and 36 stand objected to because both claims 34 and 36 recite, in line 2, "the process". In response, Applicants amended both claims 34 and 36 to be consistent with the steps recited in claim 32 from which claims 34 and 36 depend, as recited above and as suggested by the Examiner. For this reason, Applicants respectfully request that the objection to claims 34 and 36 be withdrawn.

CONCLUSION

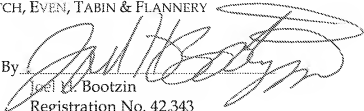

In view of the foregoing, Applicants respectfully request reconsideration and allowance of all pending claims. The Examiner is invited to contact the undersigned attorney to expedite prosecution.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
